We process your personal data in accordance with the provisions of the European General Data Protection Regulation (EU GDPR) and the German Federal Data Protection Act (BDSG), insofar as this is necessary for the establishment, execution and fulfillment of a contract and for the implementation of pre-contractual measures. Insofar as the provision of personal data is necessary for the initiation or execution of a contractual relationship or in the context of the implementation of pre-contractual measures, processing is lawful pursuant to Art. 6 para. 1 lit. b GDPR.

If you give us your express consent to process personal data for specific purposes (e.g. disclosure to third parties, evaluation for marketing purposes or advertising), the lawfulness of this processing is based on your consent in accordance with Art. 6 para. 1 lit. a GDPR. If consent is required, you will receive separate information about this. You can withdraw your consent at any time with effect for the future. If necessary and legally permissible, we process your data beyond the actual contractual purposes to fulfill legal obligations in accordance with Art. 6

para. 1 lit. c GDPR. In addition, processing may be carried out to protect our legitimate interests or those of third parties in accordance with Art. 6 para. 1 lit. f GDPR, for example if you visit us on our company premises. If necessary, we will inform you separately, stating the legitimate interest, insofar as this is required by law.

4. CATEGORIES OF PERSONAL DATA

We only process data that is related to the establishment of the contract or the pre-contractual measures. This may be general data about you or people in your company (name, address, contact details, minutes of meetings, etc.) as well as any other data that you provide to us. We generally collect the data directly from you.

5. SOURCES OF THE DATA

We process personal data that we receive from you in the context of establishing contact or establishing a contractual relationship or in the context of pre-contractual measures.

6. RECIPIENT OF THE DATA

We only pass on your personal data within our company to those areas and persons who need this data to fulfill contractual and legal obligations or to implement our legitimate interest. We may transfer your personal data to companies affiliated with us insofar as this is permitted within the scope of the purposes and legal bases set out in section 3 of this data protection information sheet.

Your personal data is processed on our behalf on the basis of order processing contracts in accordance with Art. 28 GDPR. In these cases, we ensure that the processing of personal data is carried out in accordance with the provisions of the GDPR. The categories of recipients in this case are providers of internet service providers and providers of IT systems and software.

Otherwise, data will only be passed on to recipients outside the company if this is permitted or required by law, if the transfer is necessary for processing and thus for the performance of the contract or, at your request, for the implementation of pre-contractual measures, if we have your consent or if we are authorized to provide information. Under these conditions, recipients of personal data may be, for example

- Public bodies and institutions (e.g. public prosecutor's office, police, supervisory authorities, tax office) in the event of a legal or official obligation

- Recipients to whom the transfer for the establishment or fulfillment of the contract is directly is required, such as banks, partners and, if applicable, suppliers
- Other data recipients for whom you have given us your consent to transfer data:
 - Service providers in the area of hardware and software by concluding order processing contracts.

7. TRANSFER TO A THIRD COUNTRY

There are currently no plans to transfer personal data to a third country.

8. DURATION OF DATA STORAGE

Where necessary, we process and store your personal data for the duration of our business relationship or for the fulfillment of contractual purposes. This also includes the initiation and execution of a contract. In addition, we are subject to various retention and documentation obligations, including those arising from the German Commercial Code (HGB) and the German Fiscal Code (AO). The retention and documentation periods stipulated there are two to ten years. Finally, the storage period also depends on the statutory limitation periods, which, for example, according to §§ 195 ff. of the German Civil Code (BGB), are generally three years, but in certain cases can be up to thirty years.

9. YOUR RIGHTS

In addition, you have the **right to lodge a complaint** with a data protection supervisory authority in accordance with Art. 77 GDPR if you believe that your personal data is being processed unlawfully. The right to lodge a complaint is without prejudice to any other administrative or judicial remedy.

If the processing of data is based on your consent, you are entitled to withdraw your consent to the use of your personal data at any time in accordance with Art. 7 GDPR. The provision of personal data for the establishment, execution or fulfillment of a contract or for the implementation of pre-contractual measures is generally not required by law or contract. You are therefore not obliged to provide personal data. Please note, however, that this is generally necessary for the decision to conclude a contract, the fulfillment of a contract or for pre-contractual measures. If you do not provide us with any personal data, we may not be able to make a decision within the scope of contractual measures. We recommend that you only ever provide personal data that is necessary for the conclusion of a contract, the fulfillment of a contract or pre-contractual measures.

11. AUTOMATED DECISION MAKING

In principle, we do not use fully automated decision-making in accordance with Art. 22 GDPR to establish, fulfill or implement the business relationship or for pre-contractual measures. If we use these procedures in individual cases, we will inform you of this separately or obtain your consent if this is required by law.
